Figueiredo skulle være opp mot Coby Garbrandt før den tidligere Bantamweight-mesteren rev en bicep, noe som betyr at Perez måtte gå opp fra å kjempe mot Brandon Moreno på underkortet til hovedarrangementet. Den 32 år gamle Figueiredo har vært svært aktiv i nyere tid med fem kamper til hans navn siden mars 2019, som kulminerte i back-t0-back Flyweight Championship sammenstøt med Joseph Benavidez. Figueiredo vant begge gangene. Perez eneste nederlag siden 2016 kom mot Benavidez, selv om hans siste kamp var en imponerende seier over Jussier Formiga - den eneste mannen som noensinne har slått Figueiredo. Det lover å være en spennende kveld, og Perez vil være desperat etter å få mest mulig ut av sin enorme mulighet.
